

Khandala & Lonavala

The twin hill resorts of Khandala and Lonavala have a special attraction for the Mumbai crowd seeking a convenient weekend holiday in the hills. A mere 3 hours by road from Mumbai, beautifully landscaped Lonavala and Khandala are famous for their seemingly innumerable varieties of chikki. But they also offer many sites worth visiting. Trekking is a good way to get around, but having a vehicle (even a bicycle) is still better, as some points of interest are quite some distance from the main towns.
